

What WOOD you do™

WIN
€25,000!

PRIZE FOR SUSTAINABLE INNOVATIONS

Do you have a climate-smart idea? Share it with us, and you could win €25,000 in prize money! Through the What Wood You Do innovation competition, Paper Province aims to find the next big impact ideas that enable the forest and forest industry to help mitigate climate change even further for the future.

Share your idea on whatwoodyou.do no later than 17th of May and take the chance to win €25,000 and realize your innovation.

Why should you take part in the competition?

WIDE AND RELEVANT VISIBILITY: Get seen and reviewed by industry experts, finalists will get PR coverage

YOUR IDEA IMPROVED: Feedback, coaching and support to refine your idea into a successful pitch

A UNIQUE NETWORK: Present your pitch to leading industry companies and meet many potential partners

AMAZING FINANCIAL PRIZE: The winner gets €25,000, second to fifth place €2,500 to develop their idea further

YOUR IDEA ACCELERATED: Sting Bioeconomy is the perfect space to build and expand your start-up
